

# Managing Parkinson's Through Rehabilitative Therapies

**Saturday, September 15th**

**9:00 a.m. – 1:00 p.m.**

**University of North Florida**  
John A. Delaney Student Union  
1 UNF Drive | Jacksonville, FL

Learn about how different rehabilitative therapies can help manage Parkinson's disease from expert speakers! Join us for a **free** educational program featuring a presentation on the role of therapy, an exercise demonstration, and a live Q&A session with a panel of local therapists. Complimentary breakfast will be provided during check-in from 9:00 a.m. – 10:00 a.m. Seating is limited, and advanced registration is required. For more information, please contact Celeste Tennant at (404) 397-1014.
